**CELLULAR PHONES-**

One of the great gifts of summer camp is having your child disconnected from their phone. Please read the following statement that parents and child must sign.

I am hereby stating that my child will not be bringing any items to camp that have SIM card capability (even if the SIM card is removed). If any child is found with these items, the item will be confiscated and you will receive a phone call home to discuss penalties. All children travelling from abroad that are bringing phones must hand them in to the office where they will remain in the safe.
