Techelet and Leadership

Dear Camp Moshava Ennismore family – ה' עמכם

This was our first week of camp and there is a lot of excitement in the air.

On Wednesday morning we had our first early morning Cocoa Club and the kids were pounding Torah!!!! So much nachas.

When we take a look at this week's Parasha – Parashat Korach – it seems to be that Korach's question is pretty legitimate.

Korach says – ה' קדוש וכל ישראל קדושים – and he is indeed correct! Every Jew is holy! Every Jew has special קדושה within him. I this is the case – Why was Korach punished?

When we look into the Midrash – an answer can be found!

The midrash tells us that Korach asked Moshe: does a house full of books requires a Mezuzah? Does a תלית made totally of תכלת requires a תכלת string?

Moshe's answer is - YES it does. Even though everyone is holy – there is a crucial need for a leader!

The תלית needs a string and the house with holy ספרים needs a mezuzah.

This is the time and place to acknowledge the hard work and leadership of our camp staff which are the תלית תכלת and תכלת of our camp!

Looking forward for an amazing uplifting first Shabbat in camp

Shabbat Shalom

A NEW HOPE - BY ELIAV SABAN - EIDAH DALED

Camp Moshava we finally made it! Through one long year of waiting we finally made it to the best place on earth. 7 years ago when I first stepped through those gates on my first year, I was scared. But after the first hour in camp I was getting used to everything - the bunks, the bathrooms, and especially the mosquitos . Camp is a stranger place especially for your first year. All of these things make camp, camp! When you see Vince with a fluffy mustache, its normal! When you see Aliza and Esther doing tochnit, its normal! And when you hear Yoni the Shinshin pronouncing a word in English incorrectly, it's normal. Even though Camp is strange it still brings everyone together like a family. Shabbat Shalom

Interview with Adam Rosenblum and Yossi Friedman

Moshava: What's the back story of how **Adam V'Yossi** came to be?

Adam: The men were down 0-3 to the women in Had-racha week competition. We knew we had it in us. Bor-dan gave us a pep talk. Then Yoni started chanting **Adam V'Yossi**. Then the place got lit. We were going nuts.

Yossi: The men clawed back with a wild victory in the football toilet paper throw challenge. Even Vicky was chanting **Adam V'Yossi** on the walkie.

Adam: Three days later we go on the Ram Kol and we became legends. It's Geshmak to be a camper on the migrash because then you get to hear the **Adam V'Yossi** show. (**Adam V'Yossi is now trademarked**)

Moshava: I think we can get to the next question. What would be the boldest fashion statement in camp

Yossi: Well Zev just killed the sock and crocs game. But if we had to add something I like the bandana that I wore for a couple of days.

Adam: That wasn't a fashion statement, you just looked ridiculous.

Yossi: Nobody like it, I don't know why.

Moshava: Ok, last question, what are words to live by?

Yossi: Vince Robichaud

Adam: oh,
we're bringing
back the OK,

ROSH EIDAH DALED ORLY WOLYNETZ

Hi, my name is Orly,
or as my friends know
me, "Momma O
Dawg" You can call
me anything you like.
I'm just glad to have
people to talk to.

I have an important
lesson to teach you.

When you put a picture on facebook it'll just stay
there. I mean look at this picture. It's like from
2008 or something.

If I wasn't careful then people would just be able
to go to my profile page and search for the
oldest picture there to use in a potentially
embarrassing context.

I know some of you must be wondering, "But O-
Dawg, isn't this a potentially embarrassing
situation?"

That leads me to my second lesson. It's best to
write your own articles than risk having a
creative editor find the oldest most awkward
picture of me ever. Shabbat Shalom

Top things that won't happen! By: Hadar Posner, Adam Shizgal & Maya Aranson

From 2015: top things you don't know about Eidah Gimmel?

Our whole eidah is obsessed with the Rubix cube

From 2016: Top things that won't happen:

3. The Daled boys will stop playing Rubix cube.

2. Yoni the Shinshin will go by his last name (it's not Shinshin)

1. Shane Safran will stop with his whistle

Dear Diary..... ♥

It's been more than a year since we've written to you. A lot has happened in this year, but now we're in EIDAH DALED. The day we got to camp we already felt the camp spirit with the warm welcome from the madrichim. That night we played a huge round of speed ice breakers and had a sick opening tochnit.

During Megamot, we went down to the agam and we saw Heaven Evan! Well this will wrap it up this time. Till next time. Hope its sooner than later.

Top 10 things you may not have noticed at camp yet

10. Outdoor elliptical machines are all the rage.
9. There is a 1993 Blue Dodge Caravan that still works
8. Racoons make terrible friends.
7. Koby Alonim looks way younger
6. Naftali Tessler is not on staff
5. We found Dory, she's on tzevet yachad
4. Everything tastes better with Sweet Baby Ray's
3. Vince's moustache is real
2. Avodah has skipped every peulah so far
1. They are alpacas not llamas. Gan kids are fragile. Paint in eyes is bad. When French Fries are served at lunch, either get there first or wait till the new batch comes out and they'll be crispy and amazing. Actually. (all the things in #1 have a common theme, what is it?)

Tochnit 2016 by aliza and esther

This week was so crazy! We covered 20 years of history starting with the first aliyah in 1882, when you all left Europe, Yemen, and other places all over the world to come to Ottoman ruled Palestine.

There was this guy named Dreyfus who was arrested for treason but really it had a lot to do with the fact that he was Jewish. This inspired a great man named Theodor Herzl to want to build a Jewish state. So we decided to take you to a meeting he made in 1897 called the World Zionist Congress where they decided that Hatikvah would be Israel's national anthem. It's been so fun so far and we have so many more years to cover next week. Get ready Moshava, you have no idea what's coming!

-shout out to the devil in Zev

-shout-out to Simon, Paula, and Randy for taking time out of their busy schedules to be here

What did you say???

Ben Buckler dressed up as that Herzl guy

A llama was jumping around and almost bit my arm off!

Updates and Stuff

Welcome to the following guests who are joining us for Shabbat

Dan Diamond, Larry Wolynetz,
Jonny & Belinda Lipczar and family
Tim and Robin Gofine, Ariel Shields

Thank you Dr. Isserlin for your hard work this week!

Noam Levkovich is on Chinuch staff. He also loves to wish people Shabbat Shalom, so please go up to him and shake his hand or give him a high 5. You'll make his Shabbat more perfect!

This week's SHOUT-OUT goes out to the person who thought of shekem as a thing at camp. It's like your parents went shopping for all the stuff they never let you buy in the store. This camp is awesome!
