The Shabbos of Vision

One of the following letters is out of order:

Do you see it????????

אבגדהוזחטיכלמןספעצקרשת

It is very interesting to note that every single perek of **איכה** is written in this format. Every Passuk's first letter follows the Aleph Bet – except (**if you saw it**) – the **ע** and the **פ** are reversed! Why???

The **עניים** (put their **מפה** mouth) before their **עיניים** (Eyes). The **Passuk** in **שלא** says that because the trip of **מרגלים** was exactly 40 days, the Jewish people were to wander the desert for 40 years. One year for each day one year for each day. The question is though: why? How is this fair? The **מרגלים** obviously sinned and deserved punishment, but what did they do **each and every day** of their trip that their punishment was so exactly related to the days of their trip?

The **מרגלים** put their **פה** before their **עיניים**! Every day of the trip, they were looking for how they could say bad things about Eretz Yisrael. It was their plan from the very beginning to say **לשון הרע** about **ארצנו הקדושה** and because of that they saw Eretz Yisrael in a bad light – **בעיניים רעות** – bad eyes! The **מרגלים** are the source for **תשע באב** through out the ages. All our losses and all our mistakes throughout history was simply caused by our inability to see with good eyes!

We see (pun **intended**) from this that we must always look upon ourselves with good eyes. We must see the good in others. But even **more IM-PORTANT**: We must see ourselves with good eyes. We must believe in and SEE the beauty and good that we have. We MUST believe in ourselves. And hopefully with this we can bring more light to the world and push away the darkness and **SEE THE COMING OF MASHIACH** -----

Shabbat Mach Hach - THIS IS A LIBRARY!

DVAR TORAH BY: SHIRLLE & ANNIE

In this week's Parsha Moshe starts his final speech to Bnei Yisrael. He states -- "ה' אלוהיכם הרבה אתכם והנכם היום ככוכבי השמים לרוב" Hashem will increase the nation today to be numerous like the stars in the sky. We already know that Bnei Yisrael are six hundred thousand people, so how can Hashem say that they are as numerous as the stars? Rashi explains that stars last forever, and this is why Bnei Yisrael is compared to them. Furthermore, the cycle of a day ("with the sun, moon and stars will last for eternity, just like Bnei Yisrael who will be here forever. Shabbat Shalom

THIS IS AMI TOBIN!

This is Ami Tobin. Ami speaks in the third person because this is Ami Tobin.

Most people don't know that my middle name is Yisrael. My parents love the Jewish people so very much, so they named me Ami Yisrael.

The real crazy part is that Ami's original last name was Chai!

Yes, Ami's actual name is Ami Yisrael Chai.

Ami's family ran into problems with the law in 1974, three years after Ami was born (it's true, Ami is actually 48 years old - that's why Ami's beard is so distinguished and mature)

What happened was that Ami Yisrael Chai became a copyrighted trademark when the song became a smash hit, and every time Ami's parents wrote Ami's name on a school list or a mini-golf game card, they got sued for writing Am Yisrael Chai without a copyright license. Ami's parents needed a new last name for Ami. Ami didn't know how to say giraffe neck warmer, so whenever Ami saw a giraffe with a neck warmer, Ami yelled TOBIN! So that's how Ami got Ami's last name.

If you think that's a crazy situation, just don't get Ami started on Ami's crazy uncle Od Avinu!

Shabbat Shalom.

What a week!

A DAY IN THE LIFE OF MACHHACH BY: BEN LANDO AND GAV NICKERSON

We wake up at 7:15 when Bessner yells "ALL RIIIIISE!" with 12 voice cracks. "Shortly" after, we daven shacharit at the Achbar where Micah pulls up half an hour late. Afterwards, we go to breakfast and once we get back to the bunk we realize that Phillip is still asleep. Usually, our counselors also fall asleep and we play munchkin and chess until mincha. Then we have shiur with either Rav Boaz, Gideon or Rav Noiman and we have a Q&A. After shekem we have two straight peulot of leagues. After we go back to the bunk and "forget" to go to mifkad we head to dinner where we just chill outside the chadar until after Bracha Achronah. Then we figure out from our counselors
